## About Me

Hi, I'm Sydney! I've been working in commercial real estate for over three years as a Sales and Marketing Advisor with Cliggitt Realty and a Real Estate Analyst at Cliggitt Valuation. I'm all about helping business owners and property investors in the Tampa Bay area find the perfect real estate solutions and getting creative with marketing strategies.

When I'm not working, you'll probably find me cheering for the Tampa Bay Lightning (Go Bolts!), running, trying out new restaurants, chilling with my dogs, or playing a round of pickleball with friends. Whether it's on the court or in the office, I love a good challenge and always bring my best.

## My Dogs

Pepper, Cooper, and Doc are my three most favorite things in the world. You can find me chilling on the couch with them after a long day of work!
